# Lucchese®

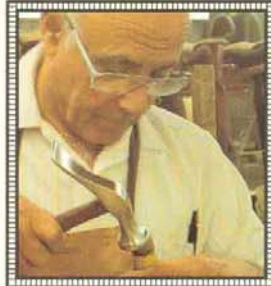

SINCE 1883

**The Lucchese Story** In the far west corner of Texas, near the banks of the Rio Grande, a dedicated enclave of master craftsmen practices an increasingly rare art.

In their knowing hands, tough leather hide becomes soft and supple. And the richly textured boots they fashion from that organic gift of nature are coveted by connoisseurs the world over.

This is Lucchese. And we proudly present our 1993 line of handmade boots, Western apparel and fine leather accessories.

Long before the Civil War, an Italian boot-maker named Samuel Lucchese immigrated to America. Steeped in the Old World tradition of handmade quality, he settled in historic San

*Cosimo Lucchese, son of the company's founder, and a respected craftsman in his own right.*

Antonio. And there, in 1883, he and his five brothers founded the Lucchese Boot Company.

From the soldiers and cavalrymen of nearby Fort Sam Houston to the ranchers and cowboys of the wild West, the Lucchese reputation spread.

Some thirty years later, under the visionary leadership of Samuel's son, Cosimo, Lucchese Boots gained national fame.

In the fifties, Cosimo's own son, Sam, ushered the company into the era of modern marketing. Today, in El Paso, the spirit of the Lucchese family still guides and inspires the company they founded.

And the reputation they inspired is still spreading.

*The famous Lucchese Shop in San Antonio, Texas*

**The Lucchese Shop**  
The Lucchese name will be forever linked to San Antonio in the form of our famous Lucchese Shop on the boardwalk.

Relocated and completely redesigned in 1987, it's a popular attraction for visitors to the city. Often they leave sporting a new pair of Lucchese Boots, but others come simply to admire the store's museum-like ambiance.

Original Indian and Western art and artifacts line the walls, and the store is richly appointed throughout... a fitting tribute to the men who gave it their name.

**Dear Sam:**

I guess I know where my best Christmas present came from — Sam Lucchese. For fifty years from Father through Son, I have never known the Lucchese's to be anything but honorable and thoughtful men. May you have a wonderful New Year and Many A Warm Summer ahead of you.

Sincerely,

John Wayne

**Lucchese**  
SINCE 1883

In this world of fads and fashions, isn't it reassuring to know that some things never change? We're happy to report at least one thing holding steady: Lucchese's reputation for unyielding excellence. Such reputations are seldom earned overnight. It takes years of patient devotion. Years of stubborn adherence to perfection. Years of resistance to mass production. Rest assured—the Lucchese signature has never been sacrificed, which may be precisely why you're reading these words today.
